

## INSTALLATION BANQUET

U.S. JCI SENATE

WED. EVENING, JUNE 20, 1984

ATLANTA, GA.

A first class affair in a first class setting with a first class meal - all enjoyed by a record number of first class people!

After the usual introductory processional of the two-tiered head table and the '84-'85 Executive Committee, Atlanta Senate Annual Meeting Chairman, Randy Hunt, and his committee were introduced and received a rousing ovation.

Past National President and world traveler Chuck Fries introduced the following Senate dignitaries joining us at this meeting (no particular rank order here, and spellings dependent on interpretation of Chuck's notes!): Cecil Bechamp, Senate Chairman, World Congress, Montreal, and 1975 Canadian Senate President; Barney Ziola, "Life" Secretary/Treasurer, Canada Senate; Jim Dokken, Canada Senate Director; Leo McKenna, Sen. #83, Montreal Hospitality Chairman; John Deacon, Canada; George Breen, Montreal Congress Board Chairman; Gary Shumacher, Immediate Past President, Canada Jaycees; Don Burton, London; Richard Van Blarcom, Area E co-chairman, Aruba; Tito Hoz Da Vila, former JCI Vice President, Bolivia; Henry Breen and Dennis O'Brien, Nassau; Gary Mack Singleton (and Janet), Past JCI Executive V.P., Alabama; and Wayne Matlock, Past JCI V.P., Kansas.

Many other dignitaries were introduced by Master of Ceremonies Steve Pindell, including U.S. Jaycee Senate Founder, Leo Briere, IL.

Among many presentations were the following: Outstanding State Senate Newsletters, New Hampshire, Minnesota, Virginia and Tennessee; Outstanding '83-'84 National V.P.s, Region I's Art Butler and Region IV's Ray Baskette; Outstanding Appointees, Products Chairman Steve Pindell and Mentor Editor M.S. "Doc" McCarty; the Senate & Jaycee "Grand Lady", Charlotte (Mrs. Andy) Mungenast, received Honorary Membership #1-lifetime membership from the Missouri Senate; '83-'84 President Jim Luff received a beautiful room sized U.S. JCI Senate rug from the Georgia Senate in recognition & appreciation of his fine leadership.

In his closing remarks, our 12th President, Jim Luff, spoke of the great opportunities still before us to enhance and increase friendships throughout the world, and to offer our help to the organization from which we gained so much--the Jaycees. Jim closed with, "God bless you all! Real good!", and received a tumultuous standing ovation.

The "Royal Mounties" and Canadian judge, witnesses, et al, conducted a trial for dastardly crimes committed by Jim Luff and Bob Hunt, apparently aided and abetted by "Wayward" Hayward. Despite some confusion on the part of Judge (or was it prosecutor?) Ziola, Luff and Hunt were fined and handcuffed together at the podium. Bids from the audience to leave them closely attached succeeded in raising funds for the '83-'84 cost over-runs of Mentor. Tears of laughter abounded. Such "togetherness" is a Senate hallmark.

Following pardon and release, Out-going President Jim Luff installed the U.S. JCI Senate's 13th President, C. Douglas Hincker, of Michigan, and the other elected officers for 1984-1985: Executive Vice President, Wayne Matlock, Kansas; Secretary Art Butler, Rhode Island; Treasurer, Tony Dominiec, Texas; and Regional Vice Presidents Rich McCarthy (MA), John Lasko (NJ), Neil Dorsey (MD), Randy Croft (NC), Val Koble (IL), Earl Sawyer (MO), Lanny Heater (ARK), Dan Heirshberg (CO), Al Rickard (MT), Bill Buck (AZ) -- Regions I thru X, respectively.

In his acceptance comments, President Doug noted, "Motivation comes from within each of us....The world is full of dreamers....they creat success....Successful people fear failure....that fear will drive us to success." He asked all present to take a moment to envision greatness, and what the U.S. JCI Senate could be in the coming year. After a minutes silence, President Hincker closed with, "Now that you've taken a moment to dream with me, let's to out and do the things you believe necessary to make our organization great! A year from now we will see if we have achieved."

Immediate Past President Jim Luff closed the Banquet by leading the assemblage in the recitation of the Jaycee Creed.

Respectfully submitted,

Art Butler, Secretary
